MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Emergency Power for East Elevator,
Administration Building

REFERENCE: Memo to DD/S from D/L dated 19 August 1957,
Subject: Emergency Power Supply -
Administration Building

1. This memorandum is for information only.
2. Facilities have been installed in the Administration Building to provide emergency power to the east elevator. The power is furnished by the existing diesel-driven emergency generator and is intended for use only in event of a power outage.
3. Necessary instructions are posted in the elevator and at the guard station.
